

RISING SUN JUDO CLUB

Judo – still the best all round defence system. Ju - “gentle” Do “way”

THE CLUB

The Club is a registered member of the British Judo Association (BJA) and is run under BJA rules. The BJA is the only governing body for judo in the United Kingdom. The BJA is affiliated to the Sports Council, the British Olympic Association, the European Judo Union, and the International Judo Federation. The British Judo Council (BJC) and the Amateur Judo Association (AJA) are affiliated to the British Judo Association and are the only other recognised judo organisations in the UK. The Club began in 1990.

WHAT OTHER COSTS ARE INVOLVED?

You will need a judo licence from British Judo which provides insurance cover. This can be done online and paid by card. A new licence in 2021 is £31 for a junior and £42 for a senior.

Judo has a system of coloured belts to denote your grade. Your grade denotes your skill level, both technical and physical. The grading fee in 2021 is £14 for juniors and £20 for seniors. You will need your own judo suit, and we have a stock of these. We can advise you on sizes and shrinkage, and a training grade judo suit is from £20 to £35 depending on size.

WHY DO JUDO?

Judo brings many benefits. It builds fitness, strength, stamina, coordination, mobility, self-discipline, and self-confidence. Judo requires the cooperation of a willing partner to practice with, in short, players have to help each other to learn.

Judo was refined from jujitsu, a comprehensive system of armed and unarmed combat which was developed for over 300 years in Japan from 1532. By 1870 there were several hundred jujitsu schools in Japan. In 1882 Jigoro Kano evolved judo from jujitsu. He developed judo as a sport and a means of personal development, and built a system of moves that could be used with safety.

Judo should not be practised away from the classes due to the lack of supervision and the lack of mats to land on. However, experienced players do have a wide range of skills to defend themselves if absolutely necessary. But it is often found that judo players have more self-confidence than many and can avoid such situations.

Although personal safety is always the first concern, parents must note that their child may get hurt during the activity however much care is taken, as of course is the case with football and many other sports. They must also note that judo is a hands-on full contact martial art which involves child to child and adult to child contact.

WHAT IS EXPECTED?

You should expect us to teach you a range of judo skills to a level that you want to reach. You should expect individual help from us as well as learning in a group.

From you, we expect regular attendance, your attention when on the mat, and good behaviour from you, and self-control.

We expect you to practise moves many times - you cannot learn it by talking about it. You must keep your judo suit, hands and feet clean, finger and toenails short, and put your shoes on if you leave the mat - no one wants the dirt from your feet on them. We expect effort. We expect you to enjoy it too. Judo is a hard sport, but it has to be fun as well.

OUR TEAM

All instructors are national governing body qualified and authorised. This provides liability insurance, DBS checking, First Aid qualification, and Child Protection qualification. In addition, each instructor must attend regular judo educational courses. We believe in leading from the front and show both technical and working judo.

If you have any questions, please talk to any of us. We run the club for our members' benefit.

Assistant Club Instructor:

Joel Hammond 1st Kyu. Joel has been practising judo for about 10 years and started at the club. He is a former Sussex County medallist.

The club is owned and run by the following :

Pawel Wojtas MA 1st Dan. Pawel has been practising judo for over 25 years and is a former Polish National Junior bronze medallist. He has competed many times in competitions across Europe, winning many regional events. He has also won a 5th place at the Polish University Championships. In England, he is a former Sussex and a Southern Area medallist. He has trained under various instructors across Europe, as well as an Olympic coach in England.

Erin Southam BA (Hons) 2nd Dan. Erin has been practising judo for over 30 years. Having a degree in PE & Sports, she is also a qualified coach in other sports. At judo, she has won many competitions at both junior and senior level. She has represented Sussex County, and is also a former Southern Area gold medallist at the annual Inter Counties Championships. She has trained under several 6th dans, a Japanese 8th dan master, and an Olympic coach.

Dave Wright 3rd Dan. Dave has been practising judo for 40 years. He is a former Sussex County champion and medallist, as well as a National Masters gold and silver medallist. He was also a Sussex County Squad Instructor for 12 years. He has trained under several instructors, including a Japanese 8th dan master. He has also trained regularly under 2 Olympic coaches over a period spanning 15 years.

You will see that the instructors have a competitive background, and we will encourage players to enter competitions, which are available at every level of your judo, and we would support you at such events. However, we recognise that some players are recreational and do not want to enter competitions, and these are equally encouraged to reach the standard they want to attain. We are also an inclusive club and have players who have special needs.

We will teach technical judo to give an understanding of the principles involved, using a cooperative partner. We will also teach competitive judo for use with a player who is resisting being thrown
